Applicant: Gerd Hofmann et al. Art Unit: 2833

TRANSMITTAL LETTER REGARDING EXTENSIONS FEES

Upon a routine check of PAIR, a Notification of non-compliance was found in the image file wrapper. Although the Notification lists a mailing date of July 9, 2008, the Notification does not appear to have actually been mailed. Specifically, the status of the application has not been changed from "Notice of Appeal filed," the transaction history does not include an entry of Mail Notification – Defect Appeal Brief, the status date was December 6, 2008, and such a Notification has not been received by appellants or their representative.

The Patent Appeals Specialist indicated that the Notification appeared to have been erroneously entered into the system without being mailed, and that a proper Notification will be sent shortly. *See* Applicant Interview Summary of December 22, 2008. Upon a further conversation on January 6, 2009, the Patent Appeals Specialist indicated that a new Notification was to be mailed. To avoid confusion or accidental abandonment, appellants hereby preemptively respond to the Notification to be mailed (and within six months of the date of the non-mailed Notification found on PAIR). Accordingly, appellants understand this response to be timely and to not require fees.
